

SRI KRISHNA COLLEGE OF ENGINEERING AND TECHNOLOGY

Kuniamuthur, Coimbatore. Tamil Nadu 641008

(An Autonomous Institution Affiliated to Anna University, Chennai)

- 4.1.1 The Institution has adequate infrastructure and other facilities for**
- teaching – learning, viz., classrooms, laboratories, computing equipment etc.**
 - ICT – enabled facilities such as smart class, LMS etc.**
 - Facilities for Cultural and sports activities, yoga centre, games (indoor and outdoor), Gymnasium, auditorium etc.**

The Institution has an area of 41.5 acres, built with world class facilities to impart quality education. The sprawling campus amidst green surroundings provides the perfect ambience for learning. The Institution has 115 classrooms and 5 seminar halls equipped with Wi-Fi facilities, smart boards, smart TVs, 69 laboratories and 1953 computers.

Teaching and Learning Infrastructure:

- The institution offers ICT-enabled classrooms and well-furnished seminar halls, equipped with modern tools such as projectors, smart boards/TVs for interactive learning.
- Industry-standard laboratories provide hands-on experience, while 1953 computer systems and 5 High-Performance Servers ensure ample access.
- High-speed Internet, with 2.6 Gbps bandwidth through Wi-Fi or LAN, supports uninterrupted active learning.
- The Center of Excellence serves as a hub for cutting-edge research, skill development, and collaborative initiatives in engineering, facilitating real-time learning and practical experimentation with advanced tools and technologies.

ICT Enabled Facilities:

The Institution recognizes the importance of integrating technology into the learning process. The Institution provides ICT Enabled facilities such as Smart Classrooms equipped with Smart Board/ Smart TV, Multimedia projectors to create an engaging learning environment. Further, the Institution has a Learning Management System (LMS) named MyKlassroom to facilitate blended learning, course management, communication between faculty and students. Through these platforms students have access to course materials (PPT, pdf, video, animations, workbook and hand-outs), assignments enabling them to engage in self-based learning and collaborative activities beyond the traditional classroom teaching.

Cultural and Sports Facilities:

In addition to academic pursuit, the Institution places a strong emphasis on holistic development of students through cultural and sports activities. It provides dedicated facilities for cultural events including a centrally air-conditioned Sri Krishna Hall with a

seating capacity of 3000 and a Convention Centre with a seating capacity of 500. The halls are equipped with modern facilities including an interactive panel, audio and video systems to host academic and socio-cultural activities.

The Institution recognizes the importance of physical fitness and well being and provides sports facilities including both indoor and outdoor sports, yoga and recreational spaces. The Institution has state-of-the-art fiddle light outdoor stadium - Sri Krishna Stadium, to cater wide arrange of sporting activities including cricket, basketball, volley ball, football table tennis.

The Sri Krishna Stadium spans across 7.5 acres with the following features

- 400 meters – 8 lanes synthetic athletic track
- A fiddle light football ground in 50mm artificial turf
- 2 cricket pitches in 13 mm turf
- 2 fiddle light acrylic volley ball courts
- 2 fiddle light synthetic basketball courts
- 1 indoor stadium
- 1 fitness center with multi gym facilities
- 1 yoga center

Library:

Wi-Fi enabled Vankatram Learning Centre – Central Library spanning 55,122 Sq.feet area in a centrally air-conditioned environment, providing access to information and knowledge. The library is fully automated using: KOHA, RFID, Barcode & Biometrics, Self-Issue/Return Kiosk, Green-Stone-Digital-Library, Intranet Library Website and Remote access.

The Institution’s investments in infrastructure creates a supportive ecosystem that fosters academic excellence, technological innovation, cultural enrichment, and physical fitness, the institution equips students with the skills, experiences, and values necessary to thrive in a dynamic and interconnected world.
